

SPECIFICATIONS

Product Name	<p>Rabeprazole Sodium</p> 		
CAS No.	117976-90-6		
Molecular Formula	$C_{18}H_{20}N_3NaO_3S$	Molecular Weight	381.42
No.	Items	Specifications	
1	Description	A white or pale yellowish white powder	
2	Identification 1) IR 2) UV-Vis 3) Sodium test 4) Qualitative test	Spectra is similar to that of corresponding ref. preparation. Maximum between 290 nm and 294 nm A dense white precipitate is formed. The resulting solution turns to red-purple color.	
3	Heavy metals	Not more than 10 ppm	
4	Related substances	Not more than 0.80% (RRT 0.7 Impurity)	
		Not more than 0.10% (Other Impurity)	
		Not more than 1.0% (Total Impurities)	
5	Assay	Not less than 98.0 ~ 101.0% (On the Dried Basis)	
6	Loss on drying	Not more than 1.0%
